2.2 Voting

For the vote to be carried, a majority (more than half) is required.

Committees will observe any rules and regulations made by Council in relation to the facility or function under its management and control.

From time to time, members may be required to review and comment on draft documentation that has not been formally considered by the Council's decision-making bodies. In these circumstances, it is crucial members understand the status of any documentation and the importance of maintaining confidentiality if they wish to have input at such a preliminary time. Members may also be privy to financial, legal or personal landowner information, which cannot be disclosed outside of the committee. Each member is required to agree to the confidentiality requirements of membership.

5. Management of Business

The Committee may invite appropriate persons to attend any meeting but such persons shall not be entitled to vote on any decision arising out of that meeting.

5.1 Frequency of Meetings

Meetings are held as regularly as the Committee deems fit.

6. Work, Health and Safety

Council is required to comply with the provisions of the *Work, Health & Safety Act, 2011* and *Work, Health & Safety Regulation 2011*. In comply with the Act, Council has a statutory responsibility to take appropriate measures to ensure that no person (including employees, volunteers, contractors or visitors to a Council workplace) suffers harm, or injury to their health and safety from the way in which Council conducts its activities.

Council has a duty to ensure that risks to health and safety at a workplace are identified, assessed, eliminated or controlled. "Workplace" means premises where people work and in particular includes:

- Any land, building or part of a building;
- Any vehicle
- Any tent or moveable structure

Council is committed to providing a safe and healthy work environment for all employees, volunteers and visitors to a Council workplace. It is acknowledged by Council that ensuring the highest possible standards of health and safety is an important responsibility which is shared by all managers, employees and volunteers.

Any questions about work, health and safety should be directed to Council's WHS and Risk Manager Coordinator.

7. Insurance

7.1 Insurance held by Council

Council is required to hold insurance policies to cover its liability as a consequence of its business activities. Policies that relate to volunteers and their activities include:

- Public Liability Insurance
- Persons Accident Insurance
- Property Protection Insurance

7.2 Public Liability Insurance

Council's Public Liability Insurance covers damage to injury to the public as a result of an act or omission of an act by Council due to negligence. In this instance "Council" means employees, councillors, Committee members and volunteers.

Public liability claims often end up in court and it is most important that accurate details are taken down immediately after an incident/accident. This information may be used in court and the volunteer involved called upon as a witness.

Council's insurer determines all insurance claims. Committee members must **NEVER ADMIT LIABILITY**.

7.3 Personal Accident Insurance

Council's Personal Accident Insurance covers Council employees, committee members and volunteers for bodily injury incurred while carrying out activities on behalf of Council that result in death or disablement. Personal Accident Insurance does not cover loss of income.

Personal accident cover provides **limited** benefits to committee members where **accidental** death or injuries are suffered in the course of their duties for the committee. The policy does not cover medical costs.

Committee members and volunteers, who are not committee members, must sign in and out on the Volunteer Register each time they undertake volunteer activities. This is necessary in order to record the hours the volunteer works to ensure insurance cover in the event of an accident or injury occurring while carrying out duties on behalf of Council.

7.4 Property Insurance

It is Council's responsibility to ensure that all its properties and assets are adequately insured.

Property Insurance covers damage but is subject to the policy's terms, conditions and exclusions and each claim carries an excess (the amount not covered by the insurer).

Burglary and malicious damage incidents **MUST** be reported to the Police immediately upon discovery and a Police Report Number and the name of the Police Officer recorded.

All incidents, regardless of value, must be reported to Council.

It should be noted, that volunteers personal items are not covered by Council's insurance whilst the volunteer is undertaking volunteer activities.

8. Insurance Required by Casual Hirers

Council has available a Public Liability Insurance Policy for casual hirers who do not have their own insurance and who wish to hire a Council facility as a one-off or on a casual basis.

Casual hirers are defined as those using a Council facility no more than a total of 10 times over any twelve (12) month period for one-off events such as birthday parties, weddings, receptions, christenings, etc.

Excluded from Council's casual hirers policy are all incorporated bodies, sporting club, associations of any kind and commercial entities (businesses). These exclusions are determined by Council's insurer, not Council.

9. Insurance required by all Other Hirers/User Groups

9.1 Public Liability Insurance

All incorporated bodies, sporting clubs, associations of any kind and commercial entities (businesses) **MUST** have their own Public Liability Insurance with a minimum cover of \$20M, noting Council as an "interested party" on the policy. A copy of the hirer's Public Liability Insurance Certificate of Currency must be obtained prior to approving the hire to ensure that appropriate cover is in place.

9.2 Property Insurance

Equipment belonging to hirers such as sports clubs, playgrounds, etc is not covered by Council's insurance policy and such groups must be advised to obtain their own cover for such items if stored at the facility.

9.3 Insurance required by contractors of the Hirer

Any additional services or contractors engaged by the hirer, eg to install stage or lighting equipment, caterers, operators of amusement devices, must have a minimum

of \$20M public liability insurance. A copy of the contractors Certificate of Currency must be attached to the User Agreement for Council facilities before the hire is approved.

9.4 Notification of potential claim

Any matter or incident that may give rise to a claim against Council must be reported to Council as soon as possible. This will ensure that investigations and remedial actions can be undertaken to prevent further occurrences and protect Council's interests.

The Committee may receive notification of an incident either verbally, in writing, by telephone or by observation. Once the committee becomes aware of a potential claim it must notify Council **by the next business day**. If Council does not notify its insurer of a claim which it could reasonably have known about, indemnity may be denied.

10. Meetings

10.1 General

Committees should meet on a regular basis to discuss relevant business and make decisions. Regular meetings ensure that necessary tasks are attended to promptly and provide an ongoing accountability to both Council and the community. The aim is to meet as often as is necessary for the good management of the Committee and its delegated responsibilities.

An agenda is to be sent out to all Committee members and Councillor representatives at least one week prior to the meeting.

As the Committee has responsibilities to both Council and the community, a reasonable degree of formality is required. This however, does not mean that meetings should be burdensome. It is important that meetings are pleasant and conducted in an open and friendly manner that encourages the participation of all members.

10.2 Notice of the meeting and agenda

A notice of meeting, typically incorporated with the agenda, is circulated at least one week prior to the meeting. The agenda is a short document that sets out the business to be dealt with at the meeting.

Refer to Template: Ordinary Meeting Agenda Template for an example of how an agenda should be set out and what it should contain.

10.3 Minutes

Minutes of all Committee meetings must be kept and forwarded to all Committee members and Council. Council will store the Minutes in its Electronic Document Management (EDM) system. The Minutes will also be placed on Council's website.

The Chairperson is required to sign the Minutes of a meeting as a true record of the proceedings. The Minutes must record all motions and amendments put to the meeting and the results.

A motion to confirm the Minutes at the next meeting of the Committee can only be moved and seconded by a person in attendance at the meeting to which the Minutes relate.

Refer to Template: Minutes Template for an example of how Minutes should be set out and what they should contain.

10.4 Annual General Meeting

A distinct Annual General Meeting is to be held by the Committee each year. The main objectives of an Annual General Meeting is to report of the Committee's activities for the year past and to elect new officer bearers for the coming year.
