LEETON SHIRE COUNCIL POLICY

WATER CONNECTIONS TIME PAYMENT ARRANGEMENTS

1 PREAMBLE

This policy allows Council to consider requests by property owners for time payment arrangements for connection to Council's town water supply system.

2 POLICY & PROCEDURE

Where requests for connections to Council's town water supply system are approved, and where property owners making the requests are unable to meet the full cost of connection upfront the property owners be offered the opportunity to pay the cost of connection by way of the following instalment plan:

- (i) 20% of the cost of the work be paid upfront.
- (ii) The balance be paid over a maximum period of four (4) years, and that instalments be paid on a quarterly basis.
- (iii) Interest payable is the interest charge applicable to outstanding rates and charges less 2%.
- (iv) Where the property is subdivided or sold after entering into an agreement to pay by instalments, the balance of monies owing become due and payable in full.
- (v) Property owners who enter into an agreement to pay by instalments will be required to sign a formal agreement, incorporating the terms and conditions outlined above.
