

SELLING OR GIVING AWAY A CAT OR DOG? THE RULES ARE CHANGING...

From 1 July 2019, if you are selling or giving away kittens, cats, puppies or dogs, you will need to include an identification number in any advertisements e.g. microchip number, breeder ID etc.

This new rule applies regardless of:

- The age of the animal
- The place you plan to advertise
- Whether you are a hobby or professional breeder, or your cat or dog has had an accidental or one-off litter.
- Whether or not you bred the animal
- Whether or not the animal you are selling, or rehoming has been born yet.

If you advertise a cat or dog for sale from 1 July 2019, and don't use an identification number, or you falsify a number, you could be issued with an on-the-spot fine or face court, where a maximum penalty of \$5,500 applies.

The changes help people looking to buy a cat or dog, search the NSW Pet Registry to see the animals breed, sex, age etc. it is important that pet owners keep information in the NSW Pet Registry up to date. The Registry allows you to update your contact details, report your pet as missing, change the ownerships of pets, and pay the lifetime registration fee.
