2017 REGIONAL WELLBEING SURVEY

It's time once again for the annual Regional Wellbeing Survey! Leeton Shire Council is asking residents to consider participating in the survey.

Each year this survey asks about the quality of life in your community, wellbeing, and your views about a number of issues affecting rural and regional communities. In order to have our own standalone data set Leeton needs to have at least 100 residents complete the short survey.

All completed survey participants aged 18 or over will enter the draw to win one of 16 prizes worth a total of \$7,000. You can choose to do a short or long version of the survey it's your choice.

The survey is anonymous and closes on 21st December 2017.

To complete the survey please visit <http://www.regionalwellbeing.org.au/>
