

## Gateway Determination

**Planning proposal (Department Ref: PP-2022-4277):** Amendments to RU5 Village Zone Land Use Table – Leeton Local Environmental Plan 2014

I, the Director, Western Region at the Department of Planning and Environment, as delegate of the Minister for Planning, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Leeton Local Environmental Plan 2014 to amend the land use table for RU5 Village zone should proceed subject to the following conditions:

1. Prior to community consultation, the planning proposal is to be updated to amend the Project Timeline to reflect the Gateway determination of the proposal and subsequent milestones for finalisation in nine (9) months.
2. Public exhibition is required under section 3.34(2)(c) and clause 4 of Schedule 1 to the Act as follows:
  - (a) the planning proposal is categorised as standard as described in the Local Environmental Plan Making Guideline (Department of Planning and Environment, 2022) and must be made publicly available for a minimum of 20 working days; and
  - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in Local Environmental Plan Making Guideline (Department of Planning and Environment, 2022).
3. Prior to community consultation, Council is required to consult with NSW Rural Fire Service under section 3.34(2)(d) of the Act, as part of the subject land is bushfire prone.

The NSW Rural Fire Service is to be provided with a copy of the planning proposal and any relevant supporting material via the NSW Planning portal and given at least 30 days to comment on the proposal.
4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The Council as planning proposal authority is authorised to exercise the functions of the local plan-making authority under section 3.36(2) of the Act subject to the following:
  - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination,
  - (b) the planning proposal is consistent with applicable directions of the Minister under section 9.1 of the Act, or the Secretary has agreed that any inconsistencies are justified; and
  - (c) there are no outstanding written objections from public authorities.

6. The LEP amendment should be completed within nine (9) months from the date of the Gateway determination.
