- 1) Council is obliged to add GST to all sales of seats.
- 2) You will be notified if your offer is accepted by Council (or not) on 10 October by email (or phone if no email address is supplied). The email will also provide time slots during which the seats must be collected on 11th or 12th of September. The collection address will be supplied at the same time as well as details of how to make payment. Payment is required ahead of collection.

The seats are 'MGM pedigree seats of the Art Deco era' with authentic timber frames. Originally from the St James Theatre in Sydney, the seats are typical of theatre seats of the day and are highly desirable collectors' items.
